

Filippo Berio Professional: an exclusive line of high-quality olive oils for the Catering and Food Service

Salov Group aims to strengthen Filippo Berio's presence with a Professional line offer of gourmet olive oils for higher end restaurants

Milan, 25 May 2022 - **Salov**, an industrial group world leader in the edible oil sector, continues its strategy of **strengthening** the two brands Filippo Berio and Sagra. Specifically, it aims to consolidate **Filippo Berio's presence** in medium-high level **catering** through an ad hoc line designed to meet the current needs of sector operators with a very high-quality product.

In 2021, Filippo Berio developed a **Professional line** to provides restaurateurs with the opportunity to offer an **exclusive product** with a different kind of service. We are talking about giving extra attention to customers and allowing consumers to taste a whole line of extra virgin olive oils boasting **sustainable quality** thanks to the **Berio Method**, a **strict production protocol** based on the principles of integrated agriculture that **guarantees traceability and** authoritative third-party **SGS certification** from farm to bottle.

The Filippo Berio *Professional line* comes in practical and elegant bottles featuring an **anti-refill cap** to protect product quality, with the following gourmet offers:

- **classic extra virgin olive oil** (250ml and 500ml bottles)
- **100% Italian extra virgin olive oil** (250ml and 500ml bottles)
- **Tuscan PGI extra virgin olive oil** (500ml bottle), a product of the Tuscan tradition that has always been appreciated by consumers;
- **Modena PGI balsamic vinegar** (250ml and 500ml bottles), the perfect partner of the best **extra virgin oils** for every table.

Additionally:

- **chilli pepper flavoured** condiment based on **extra virgin olive oil** (250ml bottle);
- practical **10 ml single-dose sachets of classic extra virgin olive oil**.
